While maintaining the elegant appearance of our premier models, these all-steel Carriage House doors perfectly combine the beauty and charm of a traditional wood carriage house door with the durability and value of a pan-style door. The 5250/5950 models are deeply embossed with a wood grain finish, available in a variety of colors, and have several window options to choose from. Decorative handles and hinges are standard, and can be upgraded to wrought iron for a truly old-world look that will compliment your home perfectly.

CHARMING. PRACTICAL.

Wind can be unpredictable and destructive. This is why C.H.I. Windbreaker Series and iSeries doors are designed, tested, and built to the most rugged specifications. Wind chamber tested to ensure wind-load resistance, these extra-sturdy designs provide enhanced defense against the elements.

C.H.I. Overhead Doors developed the resilient Windbreaker Series garage doors to protect against high wind conditions. The super-resilient C.H.I. iSeries Impact Approved doors have strength designed to withstand direct collision of projectiles and other windborne debris at high speeds.
