MODEL 5283	Short Stamp, Insulated
MODEL 5983	Long Stamp, Insulated

- 2" door sections are formed from 27-gauge exterior galvanized draw quality steel
- Section joints are roll-formed into a tongue-and-groove design which produces a superior weather seal
- 1-13/16" CFC⁷ free polystyrene insulation, glued on both sides
- Extra heavy paint system² available in white, almond or sandstone
- Optional Appearance Package³ upgrade available
- Long-lasting rollers assure consistent, efficient operation
- Bottom weather seal utilizes an aluminum retainer and extruded virgin vinyl
- Concealed steel plates run continuously from top to bottom of each section for fastening hardware
- Extension or torsion springs are individually computer-calibrated to lift your door
- Hinges are stamped from galvanized steel in a "wide body" pattern for greater stability and longer life
- One set of spade decorative hardware is standard for all doors. Optional Barcelona⁶ or Wrought Iron designs replicate an old-world look
- Exterior decorative hardware includes 4 hinges, 2 handles and pop rivets for mounting to face
- DASMA TDS-163 Calculated R-value¹: 7.98
